

# More Resilient Minnesota

*Collaboratively Honoring & Healing Communities*

---

## Regional Collaborative DVD Licenses for *Paper Tigers* and *Resilience* films

This summer, FamilyWise Services will be distributing 1 licensed DVD for *Paper Tigers* and 1 licensed DVD for the documentary *Resilience* to each of the 7 Collaborative regions.

These licenses will allow the licensed Collaborative to host in-person viewings of these films. Collaboratives that elect to hold the licenses for their regions will be asked to share promotional information with the other Collaboratives in their regions whenever they host screenings.

**If you are interested in holding the license for the *Paper Tigers* or *Resilience* film on behalf of your Collaborative's region, please contact [EClary@familywiseservices.org](mailto:EClary@familywiseservices.org)**
