

For the members of the MN ACE
Interface Presenter Network

September 2022

New ACE Interface Slides coming soon!

Our team has been hard at work incorporating new slides that ACE Interface rolled out this year into our Minnesota Core deck. This allows our ACE Interface Network here in Minnesota to continue bringing the most up-to-date content to our communities! We look forward to sharing the new content with all of you, and want to thank our Community of Practice for the input and suggestions on what will be most useful to us going forward. Stay tuned to hear about next steps!
